GIVE YOUR ROOF THE ADVANTAGE

Premier Advantage® is the heavyweight alternative to traditional laminated fiberglass shingles. Weighing 400 lbs per square (nominal) and designed with a distinctive palette inspired by the colors found in nature, Premier Advantage is often installed on structures in demanding climates - from beachfront estates to mountain cabins. Premier Advantage features up to a Limited Lifetime Warranty* for single family residential structures and a 50-year fully transferable Limited Warranty* for all other structures. All Premier Advantage colors are available with the Scotchgard™ Algae Resistant Roofing System**, which warrants that your roof will remain algae resistant for 20 years. Give your roof the advantage, the Premier Advantage.
